Dear Parents/Carers,

We are now into our second half term and it is wonderful to see all the children fully settled into their routines and working very hard.

I know many of you visit our school website for information and I wanted to draw your attention to the range of recently updated policies, which are there for your reference. One policy which has been updated is our 'Parents and Visitors Code of Conduct'. This policy outlines expectations regarding how we conduct ourselves in school and set a positive example for our children to follow.

The Appendix to this policy talks about Appropriate and Inappropriate use of Social Networking Sites (including Twitter, Facebook, What's App Groups etc.). We ask you to join the Governors and Staff at Ss John and Monica in setting a good example for our children by:

- Demonstrating courtesy and respect for staff, other parents and pupils when comments are placed on Social networking sites
- Using appropriate language when discussing the school
- Addressing any issues or concerns regarding school directly with the Class teacher, Assistant Head Teachers or Head teacher rather than discussing it with others

As a school we aim to listen to parents/carers and resolve any concerns they may have. At Ss John and Monica we are committed to ensuring its staff, governors, parents/carers and pupils are treated with dignity and respect and ask you to support us in this.

Thank you for your continued support to our school.

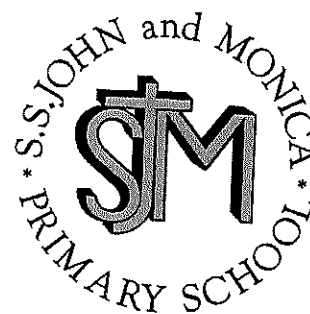

Yours Sincerely

*Mrs. M.Elliott*
