

Dear Parent/Carer

UK National Immunisation Programme protecting against infectious diseases.

All children in the UK are entitled to receive vaccinations which offer protection against infectious diseases.

Our records indicate that your child is due to receive the following vaccinations as part of the UK national childhood schedule

Nasal Flu Vaccine

As your child missed/was unable to receive their required vaccination when the Immunisation nurses visited their school we would like to invite you to bring them to a community clinic to receive the required vaccination.

Please call one of the numbers below to book a convenient appointment for your child to attend to receive their missing vaccination.

**0121 245 5763
0121 466 3410
0121 530 8028**

Yours Faithfully
