Dear Parents/Carers,

Welcome back to school!

I hope that you all had a relaxing Christmas break and that 2018 will be a happy, healthy and blessed one for our whole school community.

Our children have returned to school bright, positive and ready to tackle what lies ahead this term. This spring term promises to be another very busy, but productive one. There is a lot of hard work ahead, but many opportunities for our children to develop their knowledge, skills, unique gifts and talents.

As schools and education are ever changing, we are regularly striving to put in place new systems and update and streamline current ones. We are continually searching for and employing new strategies, to ensure that our children receive the highest possible standard of education. We thank you for your continued support in making our school community such a supportive and harmonious one.

In closing, I wish to remind you that if there is anything you are unsure about and wish to discuss, please do not hesitate to contact school.

Yours sincerely

Mrs. M. Elliott
